# Discovery Initiative

*Lifelong Learning...at Lebanon!*

*"Wow! L+ was everything and more than I hoped for. I didn't want to leave!"*

The **L+ Discovery Initiative** is an experiential and educational program designed to stimulate active Christian adults intellectually, socially, physically and spiritually. An enjoyable getaway to a beautiful place in the company of some wonderful friends, **L+** is an inspiring pathway to an enriched life through learning. Camp Lebanon's commitment to a Biblical worldview makes **L+** unique among educational opportunities for lifelong learners. Program hallmarks include highly qualified instructors, delicious cuisine, comfortable accommodations, and rich fellowship.

The four-day conference is focused on subject matter selected for its broad appeal. Our expert instructors share stimulating information through in-depth lectures, field trips, and hands-on participation. Lively discussions with faculty and fellow participants will illuminate issues, broaden horizons, and refresh each person's walk with Christ.

*"Great hospitality and a real learning experience."*
