## Spring "Showers" Bless Camp

"Showers of blessing" are turning Camp green, literally. A \$125K insurance settlement on hail-damaged roofs is putting new low-maintenance, long-lasting, and aesthetically-pleasing green steel roofs on Camp's three largest buildings. Quilters are also raining blessings on Camp. Last fall, for example, 147 volunteers took home quilt kits made from donated fabric. Already this spring over 60 finished quilts have returned (see picture above) and will be used to bless guests in Camp housing. On top of this, our quilt and scrapbooking friends donated over \$2900 in cash to buy a new defibrillator, mounting case, and more. While on the "wish list" for years, we hope the new AED is never used!

## PRAYER & PRAISE

- **PRAISE! Great Quilt Season** – Attendance off slightly but no drop in ministry!
- **PRAISE! Car Donation** – '98 Corolla (35 MPG). Will be used in staff travels.
- **PRAISE! AED Funds** – Quilters gave \$2900+ to buy a long-awaited defibrillator!
